

## BGBC Rules and Policies/Information 2023-2024

### *Please read and initial below*

\_\_\_\_\_ I understand that Battlefield Gymnastics Booster Club or (BGBC) is a Non-Profit organization and I can obtain the 501-C3 number at any time from the front office.

\_\_\_\_\_ I understand the Booster club assessment fees are used to cover but are not limited to the following expenses: coaches' clinics, coaches travel expenses to competitions, gifts for the team members, end of year celebration, team parties.

\_\_\_\_\_ I understand assessment fees are non-adjustable regardless of enrollment date. Assessment fees will be adjusted based on the level the gymnast will be placed at during the competitive year.

\_\_\_\_\_ I understand if assessments are not paid by the due date there will be a \$25.00 late fee applied to the account.

\_\_\_\_\_ I understand assessments must be handed into the front office and not to any of the coaches.

\_\_\_\_\_ I understand there will be a \$35.00 returned check fee assessed to my account and the check amount including the returned check fee will be paid in cash to settle my account.

\_\_\_\_\_ I understand if a student leaves GMS's team program for any reason and returns to the program, all unpaid assessment fees must be paid in full.

\_\_\_\_\_ I understand should a team member decide to transfer to another facility and has an overage in their BGBC account, that amount is not transferable to the new facility or any individual.

\_\_\_\_\_ I understand BGBC only accepts the following forms of payment: Cash, check payable to BGBC and Zelle. (If Zelle begins a service fee this will be passed on to families). We do not accept credit or debit cards.

\_\_\_\_\_ I understand BGBC offers different types of fundraising opportunities during the season to offset the assessment cost. This is available to any family that is interested and will be applied toward the next assessment. Stop by the front office for details.

\_\_\_\_\_ I understand credits from fundraising efforts will be used to pay the full assessment initially then any remaining credit leftover can be used for uniforms and meet fees.

\_\_\_\_\_ I understand parents have the opportunity to receive a \$100 credit to be applied to the **last** assessment during the competitive season, which runs from August 1<sup>st</sup>, 2023-June 1<sup>st</sup>, 2024. See the front office for more details.
